Physics Club Meeting Minutes 10/29

Design
- Bottle is too weak
- Fiberglass for experimental stage (it will tear not shatter)

\[ V = C \]

Problem w/ valve:
- Airtight
- Instantaneous arrest

This could shatter w/ force of air.

Officer Electing
President - Thomas
VP - Andrew
ASG - Dylan
SPS - 
Waiting on Becky, Andrew interested.
Secretary - Jessica
Treasurer - 
Waiting, Zachery is interested, Alex?
Webmaster - Megan - and incorporate social media
