It is state law that all revenue raised from a fund-raiser be deposited within 24-hours of the actual collection of the revenue. If there is a request for an exception to be made to depositing every 24 hours, then the funds must be deposited at least once a week. Criteria for an exception to the state law of making a deposit within 24 hours includes:

Contact the Student Programs office at 564-6150 to request a weekly deposit verification appointment.

The Assistant Dean of Student Programs must authorize any exceptions to depositing funds every 24 hours. The program, listed above, has set up verification/ deposit appointment with the Office of Student Programs. If the appointment is missed it will be assumed that no deposit was necessary. If documentation is missing to support a deposit, then the program/club has five business days to supply Student Programs with the missing documentation. **If the documentation is not turned in within five business days, then appropriate action will be taken, which may include debiting the funds and lapsing them into the S&A fund balance.**

- I authorize the above program to verify/deposit funds for the above stated fund-raiser on a weekly basis, as they meet the criteria for an exception to the state law which requires that revenue be deposited within 24 hours of collection.
 I authorized the above stated program/club fund-raiser.
