HOLIDAY PARTY

HOST APPRECIATION

Chris agreed to contact the instructors and have the instructors recognize the hosts during the last class session. Chris will get a list the instructors with hosts from Virginia.

COMMING ELECTION

The Events committee is in charge of the coming election in May and June. We need to have everyone in Council talk to their fellow TELOS students and get some candidates. Currently we have Jerry and Alexia for President and Secretary. For the next election we will need a VP, Treasurer and 4 council members.

Steve agreed to make an announcement at the next Council meeting.

TSO CLOSET

Jerry and Steve looked at what we have in the closet and decided neither of them has the knowledge of TSO history to determine what we need to keep. There are a lot of picnic supplies that we will probably never use and many signs that are probably outdated. It would take some time to clean out the closet.

Meeting adjourned at 10:00 am
