

TSO ANNUAL MEETING MINUTES

Wednesday, December 5, 2018

TSO President, Jerry Bunce, called the meeting to order.

President Bunce reported that Continuing Education has not responded to a request for appointments to the Task Force on raising tuition fees. Until the Task Force submits a report there will be no increase in fees. A few questions from the audience were answered by President Bunce.

President Bunce announced that three classes were not listed in the Winter Catalogue. These classes are:

1. "Plague and Epidemic" taught by Candace Bradley on Tuesdays at 12;
2. "Best of TV in the 1960's" presented by Mark Waldstein on Wednesdays at 2; and
3. "Egyptian Voices from the Past" instructed by Cynthia Smith on Mondays at 10.

President Bunce introduced TSO Task Force Members, TSO Officers, and TELOS Instructors.

The meeting adjourned.
