### II. Administration

- a. The Task Force on tuition increases is due to meet again at the end of the month
- b. Sixteen classes scheduled for Spring quarter were cancelled. A review of these classes indicated:
  - 1) some competed with more popular classes;
  - 2) some require a respite from subject area; and
  - 3) some would be good seminars especially if the instructor is new to TELOS

### III. CC Info

- a. Speakers can be paid if they receive no financial benefit, or they represent an organization that receives no financial benefit
  1. Hosts are responsible for offering payment, and acquiring the form and the information needed for payment as a contract employee
  2. Costs of mileage or other expenses must be exactly as stated on the Project Plan, or the College will not pay all of the expense
- b. There are substantial requirements that must be met if books are sold on Bellevue College( BC) property. For that reason it has been decided not to sell any books on BC property

### IV. Quarter-Break Seminars

- a. The March to April Seminars were evaluated, and the following would be good repeat speakers:

  - 3) Jennifer Lemus on Light Rail;
  - 4) Scott Schill on Aging Options/Life Point Law; and
  - 5) Elizabeth Hardisty on How to Rent Out Your Spare Room
